

### PAFR Award Notification

**Hardeeville SC, December 14, 2022** - The City of Hardeeville Finance Department was recently recognized by the Government Finance Officers Association (GFOA) as a recipient of the Award for Outstanding Achievement in Popular Annual Financial Reporting (PAFR Award) for its Popular Annual Financial Report for the fiscal year ended June 30, 2021.

The GFOA established the Popular Annual Financial Reporting Awards Program in 1991 to encourage and assist state and local governments to extract information from their annual comprehensive financial report to produce high quality popular annual financial reports specifically designed to be readily accessible and easily understandable to the general public and other interested parties without a background in public finance.

Hardeeville's Finance Department produced its first PAFR for the fiscal year ended June 30, 2021 and submitted it for review by GFOA. City Manager Michael J. Czymbor credits the City's Finance Director John Boyle and Finance Department staff for the excellent work in obtaining this award. The PAFR seeks to increase transparency and communication between the City and its residents, businesses and other stakeholders.
